Chancellor's Message

Symbiosis International University is perhaps one of the few universities in India, which is known for imparting quality education and creating opportunities for students. It is a multicultural, multidisciplinary university, which is the favoured destination of students across the country, and international students from over 80 countries.

The university follows best practices, and its faculty provides immense opportunities for the students to develop a holistic personality.

It is a student-centric University, which offers a world class campus with modern infrastructure, a well maintained library, sports facilities, curricular and extra-curricular activities and excellent health care amenities and residential accommodation.

I welcome you and wish you all the best.

Dr. S. B. Mujumdar

Pro Chancellor's Message

Symbiosis International University's ethos of promoting international understanding between Indian and international students was inspired by the lofty universal ideals of integration and understanding underlying Vishwa Bharati founded by Nobel Laureate Rabindranath Tagore and Antar Bharati movement of Sane Guruji. In the ensuing years it developed around its motto of Vasudhaiva Kutumbakam - The world is one family.

Today, the University has acknowledged international recognition and provides a high standard of education at the undergraduate, postgraduate and doctoral levels. The University has established a good reputation in Law, Management, Computer Studies, Health & Biomedical Sciences, Media, Communication & Design, Humanities & Social Sciences and Engineering Disciplines. This reputation has attracted talented teachers and students to the University. The University has always placed a high value on its postgraduate studies and research. In recent years, this has had an integral place in our academic profile.

Our students come from all States of India and from almost 80 different countries. They make significant contributions to the intellectual, social and cultural life of the University. Our students have access to a state of the art library and computer facilities. We always believe that Student life is not related to just academics. Our students are encouraged to enjoy the University's fine range of sporting and recreational facilities, and take part in its rich social life.

The website provides a summary of the wide range of undergraduate, postgraduate and doctoral study opportunities at the University. I hope you will find in it the information you are seeking and will be a part of the Symbiosis family.

Dr. Vidya Yeravdekar

Vice Chancellor's Message

Symbiosis International University (SIU) is one of the most sought - after destinations for Indian and international students, which has gained reputation for commitment to high quality learning and teaching. The beautiful sprawling 300 acres campus at Lavale, several campuses in Pune and other cities attract students from different regions, ethnicity and cultures and provide a vibrant and symbiotic ecosystem.

SIU is a forward-looking, globally competitive University where enquiry, investigation and innovation are encouraged and nurtured. The academic programmes aim at imparting interdisciplinary knowledge with a broader vision, compassion, value systems and critical awareness of national and global issues. With collaborative networks of several Universities from different parts of the world, SIU provides a very conducive, interactive and inspiring environment to create true global citizens who are ready to contribute to their respective countries and humankind. SIU offers high quality academic programmes in contemporary disciplines of Management, Law, Computer Studies, Humanities and Social Sciences, Media, Communication and Design, Health Biological Sciences and Engineering.

I invite you to experience, explore, learn, play, work and get motivated to meet the challenges to shape your career and future. I hope you will take full advantage to meet the challenges of the new exciting world.

This year the SNAP Entrance Examination will be an online test!

Welcome to the Symbiosis family!
