----	---	--	--	--

Note: No. of posts may vary as per the requirement of the organization.

Selection Process:

Candidates who fulfill the essential qualification and essential experience should first pre-register themselves using on-line form available on FSI's website www.fsi.nic.in. After screening of the on-line registration forms, the eligible candidates will be called for **walk-in test** at FSI, Dehradun on a date which will be informed to them through email and SMS. Short-listing will be done on the basis of fulfilling of prescribed qualifications and experience and age limit criteria. The final selection of the candidates will be done based on the **walk-in test** which will comprise three parts (i) Written (multiple –choice/Short answer type) (ii) Hands-on test on the use of Remote Sensing and GIS software (only those candidates who qualify written test will be asked to appear in Hands-on test) (iii) Interview.

The candidates may have to make suitable arrangement for stay on their own as the walk-in test may take more than one day. Candidates called for **walk-in test** are required to bring their mark sheets and experience certificates in original. They should also submit a filled up form on prescribed format (pdf can be downloaded from the website) while appearing for the walk-in test. The final selection would be based on combined performance in the written test, Hands-on test and interview. In case of any dispute in the process, the decision of the Director General, FSI will be final. **No TA/DA** will be paid for appearing for the walk-in test.

The selection and appointment of above mentioned of Technical Associates and Website Developer are purely on contractual basis and does not imply any form of permanent employment in Forest Survey of India or extension beyond the period of engagement.
