Three Years Training Programme as Non-Executive Trainees

HEC Ltd, established in the year 1958 is one of the largest Engineering Complex in India. It manufactures and supplies capital equipment, machines and renders turnkey project execution services required for the core sector industries. It has complete manufacturing set up including casting & forging, fabrication, machining, assembly and testing- all at one location backed by a strong design- engineering and technology team.

Getting inspiration from Pradhan Mantri Kaushal Vikash Yojna (PMKVY); HEC Ltd. has decided to introduce three years Training Programme to ITI qualified, Diploma Engineering Holders and Graduates from various disciplines. This is a unique initiative that aims to offer young technocrats meaningful, industry relevant, skill based training. Under this scheme, the trainees will be offered a monthly Stipend and a certificate on successful completion of training, which will help them in securing a job in related industry based on their qualification and exposure obtained through this training program for a better future.
